

## Dear guests,

Welcome to the most beautiful city in Germany! Combine your stay in Hamburg with a visit to one of the most extraordinary theatres of the country, the “Fliegende Bauten”, located in the heart of the city close to the world famous Reeperbahn.

For 12 years we have been part of Hamburg’s cultural life. A visit to the four-mast Big Top offers far more than a classical evening at the theatre. In addition to the cultural pleasures, guests of the atmospheric dinner theatre are offered seasonal dishes before the show and during the break.

Music and artistic are our language. Shows of the “Nouveau Cirque” and concerts are main focus of our program. In 2011 we are proud to present artists from the United States, Finland, France, Canada, Russia and Argentina.

I’m looking forward to your visit and wish you a great time in Hamburg

Guido-Marc Gosch  
CEO
